## **BPS Recruitment Policy**

The *BPS Recruitment Policy* ensures that:

- The School's recruitment procedures draw on current guidance and legislation;
- The School recruits on the basis of merit, ability, and suitability for the position;
- The School considers all job applications equitably and consistently;
- Staff involved in the recruitment process who have a close personal or familial relationship with an applicant declare a conflict of interests as soon as they become aware of the individual's application and avoid any involvement in the recruitment and selection decision-making process;
- The *School* treats all candidates for future employment fairly in the context of their race, colour, nationality or national or ethnic origins, religion, belief, gender, sexual orientation, pregnancy or maternity, marital or civil partnership status, gender reassignment, age, or disability (see also the *BPS Staff Equality Opportunities Policy*);

The School meets its commitment to safeguard and promote the welfare of children and young people by promoting:

- that all employees work in a culture of openness, trust and transparency to advocate their statutory responsibility to protect children from abuse and harm in accordance with its child protection and health and safety policies and by;
- the reporting of low-level concerns in support of the School's Mission to Nurture, Engage and Inspire and its core values.

The School ensures that all necessary pre-employment checks are undertaken by ensuring:

- The *School* has a permanent member of staff who has received *Safer Recruitment* training on all selection and appointment panels;
- The *School* ensures that all employees of Contractors who work at the *School* on a long-term basis (caterers and cleaners, for example) are subject to the checks required by statutory guidance;
- The *School* ensures that all builders and similar contractors, who may have access to areas of the *School* where unsupervised contact with children is possible, have a *DBS* check carried out by their employer and have a photographic check of identity on arrival at the *School*.

## References

This School recognises its statutory obligations to understand and enact its responsibilities in the context of the following documentation:

- The Independent School Standards Regulations (ISSRs);
- The Commentary on the Regulatory Requirements;
- Keeping Children Safe in Education (KCSIE) September 2022.

## Authorisation for Recruitment

The *Head* and the *Bursar* are the only members of staff permitted to authorise the commencement of a recruitment process and the *Head* or *Bursar* appoint all staff.

## Job Descriptions

Where applicable the *Head* and the *Bursar* agree a job description, person specification and terms and conditions of employment for the position prior to the commencement of recruitment.

## Advertising

All advertisements for vacancies include the following statement:

'Beechwood Park School's Mission is to Nurture, Engage and Inspire all of its pupils in accordance with its 16 core Values. The School recruits and retains the highest calibre teaching and non-teaching staff to promote the Beechwood Mission across all aspects of its educational provision. Health and Safety, Safer Staff Recruitment, Child Protection, and the School Values therefore stand as the four cornerstones of our Mission and pupil and staff welfare. The School requires all of its applicants for employment to complete a BPS Staff Application Form and produce original documentation of certificates and degree qualifications. The School will undertake an enhanced DBS clearance check for the successful candidate. All staff members at the School are expected to fulfil their obligations and responsibilities in safeguarding and in promoting the School's Mission.'

## Recruitment and Selection Procedure

*The School provides all applicants for employed posts with a job description, person specification and a BPS Staff Application Form.*

## BPS Staff Application Form

The School requires all applicants for employment or those who wish to work at the School as a volunteer to complete a BPS Staff Application Form which contains questions about their academic and employment history and their suitability for the role. The School requires applicants to provide a full, post-16 education and employment history including precise months and years.

The School will return to the applicant incomplete application forms if received before the stated application deadline. The School will not accept curriculum vitae in the stead of fully

completed application forms.

The Head verifies gaps in education or employment at interview.

The School verifies Qualified Teacher Status using the Employer Online Service.

The BPS Staff Application Form requires applicants to make the following declarations:

- That the information they have given on the application form is true and correct to the best of their knowledge;
- That they are not disqualified from working with children under the *Childcare Act 2006 (July 2018)* or subject to sanctions imposed by a regulatory body;
- That they are not subject to a direction under section 142 of the *Education Act 2002* or section 128 of the *Education and Skills Act 2008* which prohibits, disqualifies, or restricts them from teaching or being involved in the management of an independent school;
- They understand that providing false information is an offence which could result in their application being rejected or (if the false information comes to light after their appointment) summary dismissal and that it may amount to a criminal offence;
- They consent to the *School* processing the information given on the form, including any 'sensitive' information, as may be necessary during the recruitment and selection process;
- They consent to the *School* making direct contact with the people specified as their referees to verify the references.

Candidates are expected to disclose appropriate criminal records before interview by sending details in a sealed envelope to the *Head*. If candidates wish to discuss this beforehand, they should telephone the *Head* for advice in confidence.

### **Selection of Candidates**

A panel of **at least two** senior School staff, including the Head agree the criteria against which they will select prospective candidates, consider all applications, and draw up a long or short-list of candidates for interview.

#### **Online Searches**

As part of the shortlisting process, the School will carry out an online search (including social media) as part of our due diligence process. This may help identify any incidents or issues that have happened and are publicly available online, which the School might want to explore at interview.

### **Reference Request**

The School requests references at this stage unless the candidate has requested these to be taken up later in the process.

### **Invitation to Interview**

The School invites long or short-listed candidates to complete the Suitability to Work With Children Self Declaration Form ahead of a one-to-one interview with senior staff including the Head. In exceptional circumstances, usually when the candidate is abroad, the Head and other staff may decide to interview a candidate remotely, for example by Ring Central.

### **Accessibility**

The *School* asks candidates with a disability, who are invited to interview, to inform the *School* of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

### **Documentation Required at Interview**

Candidates bring the following documentation to the interview:

- An original full, birth certificate;
- Current (photographic) driving licence or passport;
- Documents confirming relevant educational and professional qualifications;
- Where applicable, proof of entitlement to work and reside in the UK

The duty Receptionist, HR Manager or other member of the Administrative Staff verify the identity of candidates and take copies of the documents provided.

If candidates have applied through an agency, the agency may provide evidence of checks that they have carried out to determine suitability, including DBS clearance. The School will however still conduct its own safer recruitment practices.

### **Interview**

At least two members of staff, one of whom holds current a Safer Recruitment qualification, interview all candidates formally and informally, usually involving a number of staff relevant to the vacancy. All staff take notes of their interviews and pass copies of these notes on to the Head.

During the interview, the Head or Bursar explores inconsistencies and gaps in employment exposed in the application form and references.

### **Lesson Observation**

Candidates for Teaching Staff or Teaching Assistant vacancies demonstrate their teaching skills in a Lesson Observation, overseen by the Deputy Head (Academic) and/or one other member of staff who is an age or subject specialist. Both members of staff complete a standard lesson observation form, commenting on how the candidate has nurtured, engaged, and inspired pupils during the lesson, returning it without delay to the Head's Secretary.

### **Final Selection**

The members of the interview panel prepare notes on each candidate and at the end of the interview process meet with the *Head* to consider the relative strengths and weaknesses of all candidates and decide on a successful candidate. If no suitable candidate has been identified the *School* will re-run the recruitment.

### **Conditional Offer of Appointment**

The School sends the successful candidate a Conditional Offer of Employment Letter, detailing key terms of the proposed contract and explaining that the offer is conditional upon the following verifications:

- A minimum of **two** satisfactory references;
- Right to work in the UK;
- Enhanced DBS Disclosure clearance, including a barred list check;
- Fitness to undertake the role, demonstrated through a completed BPS Staff Medical Declaration; (the School reserves the right to require a further medical examination)
- Qualified Teacher Status or other relevant qualifications, where appropriate;
- That the applicant is not prohibited from teaching and/or management as appropriate;
- That they are not disqualified from working with children under the Childcare Act 2006 (July 2018) or subject to sanctions imposed by a regulatory body;
- If applying from overseas, a satisfactory letter provided by the candidate from the professional regulating authority in the country in which the applicant has worked, confirming that there are no imposed sanctions or restrictions and that they are aware of any reason why they may be unsuitable to teach. If the country does not have a professional authority, and all avenues of investigation available have been used, the school can appoint a teacher provided the appointment decision is informed by other evidence available from the recruitment process and is a reasonable decision.
- Satisfactory overseas criminal records check and professional checks, if applicable;
- Proof of a National Insurance number, if applicable;
- A Prevent duty risk assessment.

### **The Single Central Register of Appointments** (hereafter the *SCRA*).

Once the candidate has:

- accepted the *Conditional Offer of Employment*; and
- satisfied the conditions above (except receipt of *DBS* Clearance if a risk assessment in advance is to be conducted - see below);

the HR Manager will record the applicant's details and the dates of all relevant checks and information on the *School's SCRA* in accordance with:

- the *Education (Independent Schools Standards) Regulations*;
- the *National Minimum Standards for Boarding Schools*; and

- the *Statutory Framework for the Early Years Foundation Stage*

and will alert the Assistant Bursar for final checking.

### **Contract of Employment**

For applicable employments, the HR Manager will then prepare a Contract of Employment, which, after checking by the Assistant Bursar, will be passed to the Head for onward transmission to the Candidate.

### **Equality**

In accordance with its responsibilities with regards to the *Equality Act 2010*, the *School* will not withdraw any job offer without first consulting with the applicant, examining medical evidence and considering reasonable adjustments.

### **References**

The *School* requires the receipt of a **minimum of two satisfactory references**, one of which must be from the applicant's **current or most recent employer**. If the current or most recent employment does/did not involve work with children, then the second referee should, where possible, be from the employer with whom the applicant most recently worked with children.

Neither referee should be a relative or someone known to the applicant solely as a friend.

The *School* will send all referees a copy of the job description and person specification for the role which the applicant has applied for and will ask them whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children.

### **DBS Checks**

For all members of staff in Regulated Activity (see below) the School seeks an Enhanced DBS Check, which includes a Barred List checks and Disqualification checks.

Once the HR Manager receives notification that the DBS has been successfully processed, he/she will download details from the website. If the record 'Contains no information' he/she returns the recruitment file to the Head. He/she will ask the applicant to produce their original DBS Certificate as soon as possible, once this original copy is seen, the HR Manager signs the Staff Recruitment Cover Sheet, in the appropriate place

If the DBS disclosure check 'Contains Information,' the HR Manager is to inform the Head, or in his/her absence the Bursar, without delay. He/she must also ask the candidate to produce their DBS Certificate as soon as possible which must be seen by the Head or Bursar and a copy taken.

If a candidate has signed up to the DBS Update Service, they must give consent to the School to check there have been no changes since the issue of the Disclosure Certificate. The School will also complete a Barred List Check.

### **Supply / Temporary Worker Agencies / Contractors**

The School expects supply/temporary worker agencies/contractors that are used by the School to register with the DBS on their own account and to follow this policy or their own comparable policy. Proof of registration will be required before the School will commission services from any such organisation.

Prior to the commencement of work at Beechwood Park School, the School ensures that contractors confirm in writing that all of their employees engaged in Regulated Activity at the School have:

- Enhanced DBS and Barred List Clearance (with the School confirming sight of the original DBS certificate before the worker begins at the School);
- Photographic ID (with the School confirming sight of the original ID before the worker begins at the School);
- Confirmed that no notifiable incident has arisen since they completed a DBS;
- Conducted interviews checking their suitability to work with children;
- Confirmed that they are not disqualified from working with children under the Childcare Act 2006 (July 2018) or subject to sanctions imposed by a regulatory body;

- Approved two references which provide satisfactory answers to the question: ‘Please comment as to whether you are completely satisfied that the applicant is suitable to work with children. If not please provide specific concerns and reasons for disquiet;’
- Seen proof of the applicant’s current name and change of name where applicable;
- Seen two utility bills or statements from different sources issued within the last three months, showing their full name and home address;
- Google-searched / Social Media-searched this applicant raising concerns with the Head;
- Verified their qualifications (where appropriate);
- Verified their right to work to work in the UK;
- Verified that if they have been overseas for a continuous period of more than **three months** in the last **ten years**, they have no overseas criminal record;
- Approved any letters of professional standing applicable to overseas applicants;
- Verified that the background history and any gaps in employment have been thoroughly investigated;
- Verified that the applicant is not prohibited from teaching (where applicable);
- Verified that the applicant is sufficiently fit and active enough to fulfil all of the requirements of the position;
- Verified that they are confident that this applicant is suitable to work with children;
- Undertaken to inform the Head if one of their employees has not been working at the School for a period of three months or more but is planning to return to the School.

Where necessary, the School will also undertake separate barred list checks including when a Portable DBS is provided or where an immediate update check is needed.

### **Volunteers**

Volunteers will be subject to an informal recruitment process which will involve a meeting with the Head. The purpose of this meeting will be to understand whether the prospective volunteer has any previous relevant experience and find out whether the expectations and requirements of each party meet and whether there is a volunteering opportunity at the School.

Any volunteering placement will be offered subject to the following checks if relevant:

- Completion of the BPS Childcare Disqualification Self-Declaration Form for Volunteers;
- Enhanced DBS Disclosure clearance;
- If the volunteer will undertake a regulated activity, a Barred List check;
- Evidence of their entitlement to work in the UK;
- Confirmation that they are not disqualified from teaching or management;
- References.

The Head will appoint a permanent member of staff to mentor the volunteer. He/she will, if necessary, prepare a risk assessment covering the volunteer’s duties and ensure that any consequent safeguarding processes are implemented.

### **Risk Assessment in lieu of DBS Clearance**

In exceptional circumstances, the Head may, provided that the DBS application has been made in advance, grant permission for a member of staff to commence work prior to receipt of the clearance, without confirming their appointment, under a risk assessment. This will always involve:

- the direct supervision of the adult at all times by a member of the School staff;
- the person concerned being made aware of the safeguarding procedures implemented as a result of the risk assessment;
- the receipt of a satisfactory check of the Barred List; and
- all other relevant checks (including any appropriate prohibition checks) having been completed satisfactorily.

The Head will review the safeguarding procedures put in place every two weeks.

The HR Manager will make a note in the SCRA that a risk assessment has been conducted.

Once DBS Clearance has been received, the School will confirm their appointment.

### **Changing Roles within the School**

The School will carry out recruitment processes and checks as necessary, including a further Enhanced DBS Disclosure check, where the role of an existing member of staff changes to such an extent that contact with children is significantly increased, for example by assumption of boarding duties and where the original disclosure is over three months old.

### **Remaining in the same or a similar role within the School for 3 years**

The School will carry out a further Enhanced DBS Disclosure check on existing members of staff every three years.

### **The Definition of 'Regulated Activity'**

The definition of Regulated Activity (i.e. work that a barred person must not do) in relation to children comprises, in summary:

- Regular work in schools with opportunity for contact with children. (Not work by supervised volunteers.)
- Unsupervised activities: teach, train, instruct, care for, or supervise children, or provide advice / guidance on well-being, or drive a vehicle only for children, if done regularly.
- Relevant personal care, e.g. washing or dressing; or health care by or supervised by a professional; applies to any child, even if only done once.

### **The Definition of Regular**

For the purpose of assessing whether a person is working in Regulated Activity, 'regular' includes 'frequent,' and these are defined together as follows:

- Frequently (once a week or more often); or
- On four or more days in a 30-day period; or
- Overnight (between 2am and 6am).

### **Overseas Checks**

The School require all applicants with recent periods of overseas residence (a continuous period of 3 months or more) and those with little or no previous UK residence to apply for the equivalent of a disclosure if one is available in the relevant jurisdiction(s).

For all applicants who have worked or been resident overseas, further checks and confirmations as the School considers appropriate will be requested so that any relevant events that occurred outside the UK can be considered. This shall include the candidate providing the School with proof of their past conduct as a teacher in the form of a letter of professional standing from the professional regulating authority in the county where they have worked.

### **Prohibition Orders for those Employed or Volunteering to carry out Teaching Work**

The School checks that anyone carrying out teaching work is not subject to a prohibition order issued by the Secretary of State. This check is made with the Employer Online Service and can be undertaken for those who do and do not have Qualified Teacher Status by searching by name.

Teaching work is defined as:

- Planning and preparing lessons and courses for pupils;
- Delivering and preparing lessons for pupils;
- Assessing the development, progress, and attainment of pupils;
- Reporting on the development, progress, and attainment of pupils.

### **Prohibition Orders for those employed in Senior Leadership or Management Roles**

The School will check all staff in Senior Leadership roles against the Prohibition from Leadership and Management List. The HR Manager includes information derived from this check in a separate column in the SCRA. The School defines the following as being in a Senior Leadership role for the purposes of this requirement:

- All members of the SLT;
- Head of Boarding;

- Heads of Academic and Co-Curricular Departments;
- Head of Nursery;
- Assistant Bursar.

The *School* will inform *Ofsted* and copy in the *ISI* when it is satisfied that a person working at the *School* falls within one of the disqualification criteria.

### **Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE)**

The *School* requires all adults who *TUPE* transfer into the *School's* staff to undertake the statutory requirements with regards to safer recruitment checks. If staff are transferred under *TUPE* with a gap of three months or less and all checks are complete the *School* will pass information to the new employer and make a note on the *SCRA* that details have been accepted under *TUPE*.

### **Induction Programme**

This will be provided in line with the BPS Staff Induction, Training and Development Policy.

### **Residents**

In accordance with the National Minimum Standards for Boarding Schools (NMS 14) the *School* conducts Enhanced Criminal Records Checks with a Barred List Check on all residents on the *School* premises over the age of 16 (not on the *School* Roll or employed by the *School*). The *School* also requires them to sign an agreement that they will maintain rules of confidentiality and abide by the *School's* safeguarding policies and procedures and the BPS Staff Visitors to *School* Accommodation Policy.

### **Bus Drivers**

The procedures in this document do not apply to an individual providing an irregular service to the *School* which does not comprise regulated activity and where a member of the *School* Staff is present with the pupils. An example would be a coach driver for a sports fixture or *School* trip; this is not applicable to the external drivers for the *School* Bus Service for which the Contractors conditions above are to be followed.

### **The Staff of Organisations and Associations Hiring School Facilities**

When services or activities are provided by the governing body under the direct supervision or management of the *School* this policy and arrangements for child protection will apply.

When the services or activities are provided by another body in the capacity as a hirer of school facilities, the *School* will seek assurance that the body concerned has appropriate safeguarding, child protection and recruitment procedures in place and that a failure to comply will lead to an immediate termination of the hire. This assurance will be provided via standard contracts of hire and an inspection of appropriate policies provided by the organisation, with the *School* available to liaise with the hirer if necessary.

### **Disciplinary Matters**

In cases of dismissal (or resignation) due to behaviour which causes child protection concerns, the *School* will without delay inform the DBS of the circumstances in which the employee is leaving its employment and, in the case of any member of staff who has been teaching pupils, the Teaching Regulation Agency (TRA).

### **Policy on Recruitment of Ex-Offenders**

The *School* will not unfairly discriminate against any application for employment on the basis of conviction or other details revealed. The *School* makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record, this will not automatically debar him/her from employment within the *School*. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and/or DBS.

Under the relevant legislation, it is unlawful for the *School* to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the *School* to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm, or

other serious acts of violence. It is also unlawful for the School to knowingly employ someone who works in the relevant settings and is disqualified from providing childcare under the statutory guidance 'Disqualification under the Childcare Act 2006 (July 2018)'.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School. The School will report the matter to the Police and/or the DBS if the School:

- receives an application from a disqualified person;
- is provided with false information in, or in support of an applicant's application; or
- has serious concerns about an applicant's suitability to work with children.

### **Assessment Criteria**

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any of the following offences: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence, serious class A drug related offences, robbery, burglary, theft, deception, or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception, or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving within the last ten years.

### **Assessment Procedure**

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will carry out a risk assessment by reference to the criteria set out above. The assessment form must be signed by the *Head* before a position is offered.

If an applicant wishes to dispute any information contained in a disclosure, he/she can do so by contacting the DBS directly. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the School will, where practicable, defer a final decision about the appointment until the applicant has had a reasonable opportunity (28 days) to challenge the disclosure information.

### **Documentation**

The HR Manager is responsible for ensuring all Safer Recruitment Records (Appendices 1 - 7) are completed before an employee starts work and subsequently retained in staff files.

### **Retention and Security of Disclosure Information**

The School will retain, keep secure and dispose of disclosure and other application information in accordance with the BPS Data Protection, Record Keeping and Retention of Records Policy.
